HEADS UPDATE

Dear parents and carers

We are nearly at the end of term and I think its safe to say that the children are running out of steam! They have done so well being all back together, but after a long term and lots of bugs going round; a good break over half term is definitely needed.

Under guidance from the Local Authority, schools have been asked to reinstate some COVID prevention measures. This means we will not be holding whole school assemblies or having any large 'gatherings' until further advised. We will be asking staff and parents to remain at a 2 m distance where possible and not to gather in group as adults on the playground. We will continue to maintain good hand hygiene and keep rooms well ventilated.

I hope you all have a lovely weekend and please don't forget the last day of term is Wednesday 20th October.

MEET OUR YEAR 6 SCHOOL PARLIMENT

At Larkhill Primary School, we feel it is very important for children to have an awareness of their rights and their responsibilities as members of both the school and the wider community.

In order to give pupils a voice within the school, children from our Year 6 class are elected by their peers to become representatives. We elect the children to be a representative for an area of school e.g. Sport or the Environment, just like an MP.

Members are expected to demonstrate the highest standard of behaviour and attitude in and out of school, in order to act as role models to other children. They also get the chance to meet with adults within the school to voice their opinions and ideas to keep the school moving forward, and to think of ways to raise funds for the school.

The year 6 school representatives for this year are:

Molly - Prime Minister

Ruben - Deputy Prime Minister

Bridget - Values Ambassador

Maya - Attendance Ambassador

India - Environment Ambassador
