### HEADS UPDATE

Dear Parents

We have been talking to the children about our core value of RESPECT and how this links to understanding what bullying is and what bullying isn't.

It is important to note that we have a very harmonious school and overwhelmingly our pupils tell us they feel safe and do not feel bullying is a problem. However it is important every year to remind children of how we do not accept bullying and what to do if they feel bullying may be happening.

I have attached our anti bullying rules on a separate document so you can see how we have explained this to the children

Have a great weekend

Mrs Taylor

## CLASS UPDATE

This term, Woodhenge and Stonehenge class are learning about the Stone age to the Iron age.

As part of our topic we walked to Woodhenge where we re-enacted a stone age celebration before walking back past Stonehenge.

The children had a wonderful afternoon! Here are some quotes from the children.

Harry, 'I liked seeing Stonehenge, Woodhenge and Durrington Walls.'

Maggie, 'I loved it because I got to play music at Woodhenge.'

Laisa, 'We got to discover what Woodhenge would have looked like.'

Hagan, 'My favourite part was Woodhenge because the whistles were chasing me.'

Brooke, 'We laughed so much we slowed down.'
