

BAKE OFF

It is time for Stonehenge Class to shine in our next Larkhill Primary Bake Off & Cake Sale!

On Thursday the 27th February, we're inviting all off Stonehenge Class to get involved with our school Bake Off.

If you fancy entering into the Bake Off competition, simply bring your wonderful home baked creation for the cake sale to the school office on the Thursday morning.

The bakes can be anything of your choosing, crispy cakes, fairy cakes, flapjacks, we even hope to see a few savoury and healthy creations from the Bake Off contestants, but if we could ask that there be no nuts used in any of the ingredients due to allergies within the school.

Please make sure all cakes are boxed and clearly labelled with your name. All empty boxes and containers will be available following the Bake Sale.

We hope the cake stall will prove popular on the day and help us build funds to directly return to your year group aiding with equipment and projects.

We really do appreciate all your yummy donations and support.

Best wishes and good luck,

The School Council
