

Larkhill Primary School Homework Options Term 5 Year 1.

Option 1

Grow seeds in a pot or in your garden. Write a diary of each day and what observations you find.

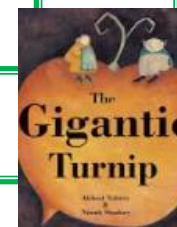

Option 2

Go outside and collect different plants, leaves or flowers. Photograph or make a collage of what you found.

What did you notice?

Option 3

Write instructions on how to make something: plant a seed, making a bird feeder, bug hotel, or how to make a secret garden or fairy garden.

Option 4

Draw a flower and label the parts or

Grow a sunflower - in the 5 weeks of the half term, record how high it is every week.

Option 5

In DT we are learning about cooking and nutrition. Can you create a tasty, healthy meal?

With an adult can you demonstrate cutting, peeling or grating ingredients?

Option 6

Create a new story about a vegetable that grows enormous.

What vegetable could it be? How big does it get? How does it come out of the ground? How is it eaten? Who eats it?

In addition to this please help your child to practice number bonds to 20 and reading and spelling their tricky words.
