Head teacher: Mrs. Emily Taylor

Dear Parents

This term, all classes will be focusing on History as the lead Subject. **Our local history is hugely important to us** and, with this in mind, children will be learning about what happened here in the past.

**Years 1 and 2 will be focusing on the Amesbury Archer and will be visiting Salisbury Museum** to see the findings from his grave.

**Years 3 and 4 will be focusing on what happened here from the Stone Age to the Iron Age.** This gives the children an opportunity to learn about the significance of our Neolithic hut in the playground and they will also visit the **Iron Age Museum in Andover and Danebury Hill Fort.**

**Year 5 and 6 will be learning who the Anglo Saxons were** and what happened when they settled in Britain. **They will be visiting Salisbury Museum** to take part in an Anglo Saxon workshop.

Each child will be bringing home a **Knowledge Organiser** outlines the key knowledge that the children will be learning

which this term.

**Please take time to look at this alongside your child and discuss it with them.** The

children will be quizzed on their knowledge throughout their unit and at the end of the topic in order to ensure that they have retained what they have learnt. They will also have the opportunity to demonstrate their knowledge in a piece of writing at the end of the topic. **Any support you can give your child at home to learn together or find out more is greatly appreciated.**

We are really excited about our new curriculum and look forward to exciting the children about what happened here in the past.

As part of our **"11 before 11"** commitment we are also looking forward to our trip to the pantomime at the end of term!

Regards

**Mrs Harmer**  
Curriculum Leader
