

Topic : Art

This term is centred around art. First we will focus on accurately drawing our faces will use mirrors to carefully study the shapes of our facial features. Later in the term we will experiment with pointillism and pop art. Finally using all of our skills we have learnt over the term we will create our own stop motion inspired by Aardman.

History
We will be learning about the artists who inspire our art work.

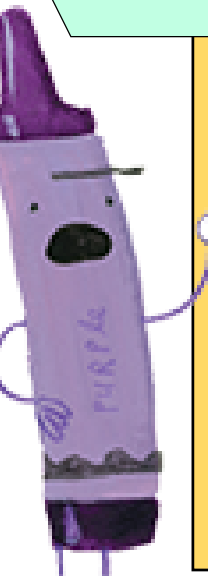

English
All of our English is focussed around the book 'The Day the Crayons Quit' by Oliver Jeffers. We will be learning about past and present progressive verbs, contractions as well as coordinating and subordinating conjunctions.

Topic web
Spring 1
Art Attack

Computing
We are continuing to learn about algorithms.

Science
We are learning about what all living things need to survive. In our classroom we will be hatching and looking after aqua dragons and monitoring how they change over time.

Maths
In the run up to SATS we will be having daily arithmetic lessons where we will practise addition, subtraction, multiplication and division.
In maths we will be learning how to find fractions of a shape, amount and number. Later in the term we will be exploring the properties of 2D and 3D shapes.

Geography
We are learning the names of the 7 continents and oceans.

This term we will be working on our multi skills and using Real PE to develop coordination skills.
Please ensure your child has their full PE kit in school everyday.
Please pack:
Black shorts, white t-shirt, black jogging bottoms, tracksuit top, daps or trainers.
Please make sure they are all
