

Topic : History

This term is centred around history. We are going to start by looking at how people travelled in the past. Next we will look at different types of transport and how they have changed though time. Finally we will predict how we think transport may change.

Art

We will be using clay to create a mysterious dragons eye.

English

All of our English is focussed around the book 'The dragon machine' by Helen Ward. We will be learning about noun phrases, powerful verbs, sentences of 3 to write a detailed description of a dragon. Then we will be focussing on commands, conjunctions and questions to create a class encyclopaedia of dragons.

Science/D&T

As our topic is all about machines and transport, we are going to design and make our own vehicle. Our vehicle will have moving parts such as spinning wheels and an turning axis.

P.E (Thursday)

This term we will be working on invasion games to help with our teamwork skills.

Please ensure your child has their full PE kit in school everyday.

Please pack:

Black shorts, white t-shirt, black jogging bottoms, tracksuit top, plimsoles or trainers.

Please make sure they are all named.

Year 2

Spring 2
Miraculous Machines

PSHE

Our first week back is all about PSHE we are looking at staying safe on the internet, healthy lunch boxes, feelings, keeping fit and much more.

Maths

We will be exploring measurement this half term. We will look at how to measure height, length, mass and capacity. We learn about the properties of 2 and 3D shapes and compare and sort them into groups. In the run up to SATs we will also be recapping all of our previous learning.

R.E

In the run up to Easter we will be learning about Christianity and the Easter story.
